Partner Assisted Scanning Instructions:

Please ask me if I would like to spell a message, be asked a yes/no question, or say a quick phrase.

For spelling, follow along as I point to a letter. If I cannot point myself, slowly point to and say A, E, I, O, U. When I indicate, my desired letter is in that row. Point to each letter in that row until I indicate my desired letter.

If I want to say a phrase, point to and say 1-5 until I indicate my desired phrase.
